

# Workshop Bucharest – 12.04.2006

---

## Conclusions

# Conclusion 1

---

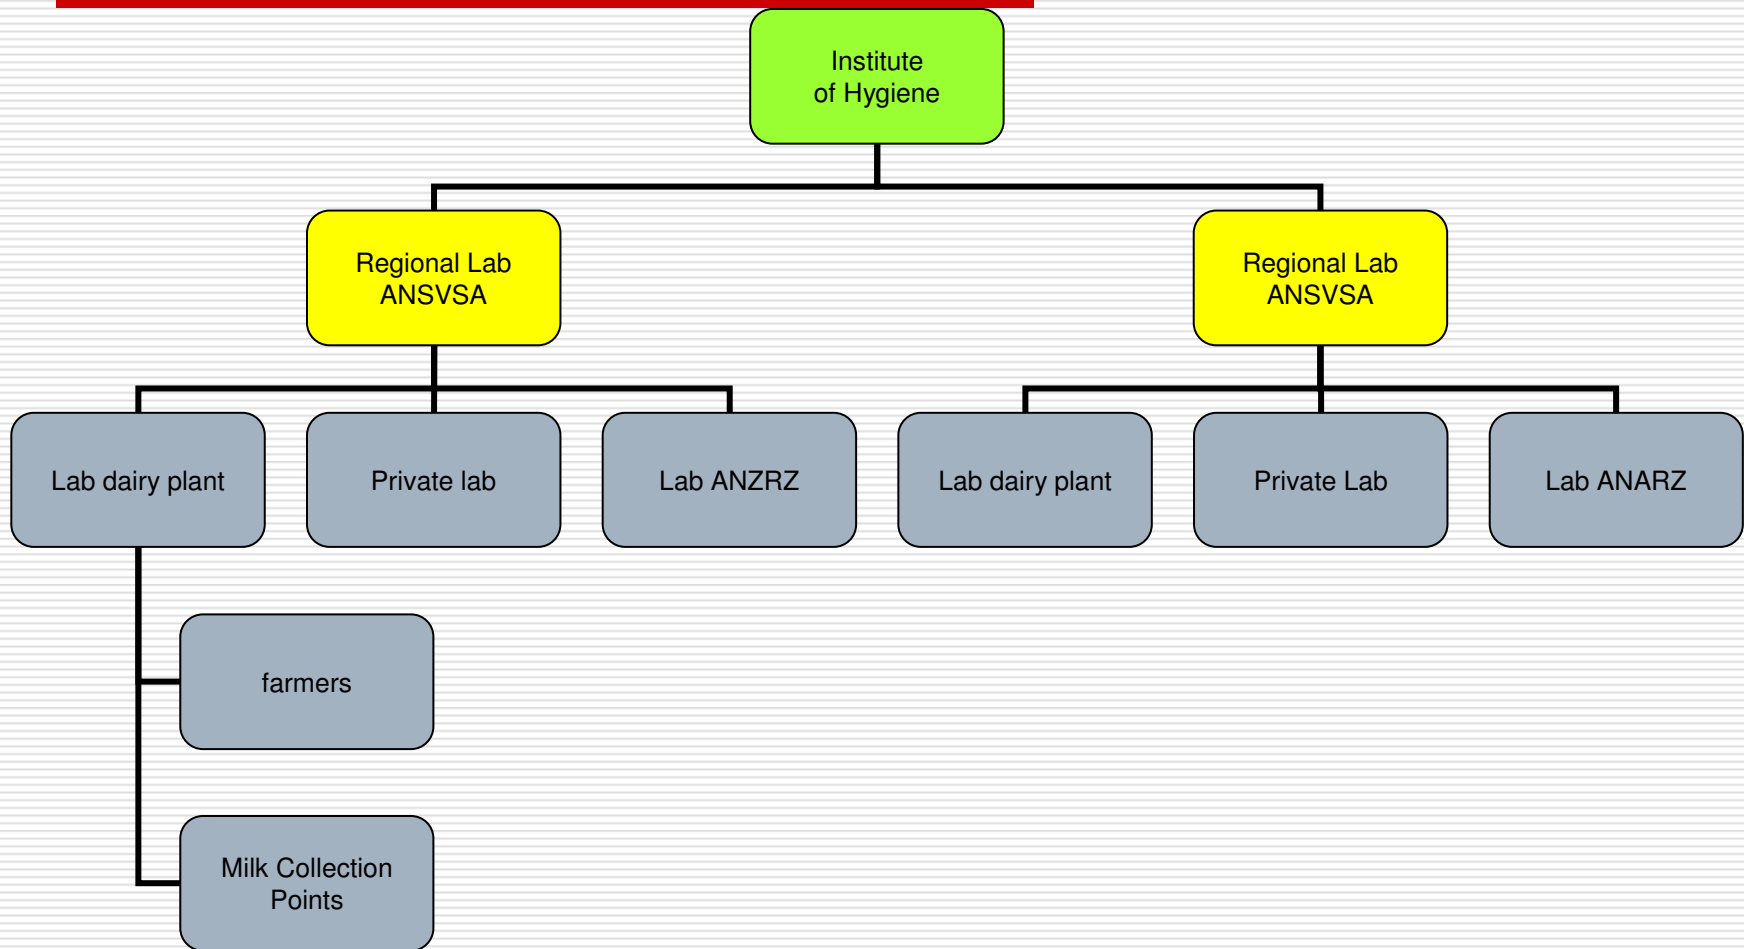

The Government has the responsibility to prepare Romanian legislation in order to comply to the Hygiene Legislation of the EU

# Conclusion 2

---

The Government has to supervise and enforce compliance to the legislation by the dairy sector

# Organisation of ring testing for raw milk quality control

# Conclusion 3

---

The Dairy sector has its own responsibility to comply to the Romanian legislation on raw milk quality

Non-compliance comply → out of business

# Council of Milk

---

Could have a leading role in:

- Development of legislation
- Support on compliance to legislation

# Council of Milk

---

- ❑ Education and certification of tank lorry drivers on milk sampling, handling & storage
- ❑ Inspection of tank lorry drivers
- ❑ Auditing labs by non-compliance at ring test
- ❑ Audit complaints by farmers on test results
